

Tempestuous Eden

It should have been an easy mission: employ any means to get the American woman out of wartorn Central America, and tell her nothing. But Blair Morgan was beautiful, and, professionalism aside, special agent Craig Taylor was falling for her. Since the assassination of her beloved husband, Blair had been unwilling to risk her heart again. But Craig -- brave, generous, and physically compelling -- melted her defenses. Until the order arrived ... and Blair became Craigs hostage. Suddenly a pawn in a terrorists political game, Blair struggled to forgive the man to whom she had given her soul.
