

A Travelers Guide to the Spirit Realm: Unlocking the Mysteries of the Kingdom

The hidden world of the spirit is as real as the seen world. The other world can be known and entered but the reader must follow a guide. The keys to the hidden world are discovered along the journey. The unseen world is a kingdom ruled by a king. The protocol for entrance into the hidden kingdom is mapped out by one who has been there. The rationale for entrance into the kingdom is explained. As the kingdom becomes visible, the foundations of Biblical Christianity are rehearsed in a modern Gospel format that fuses Pauline theology with the life and ministry of Jesus. The result is a biblical understanding of the kingdom which will produce life and fruit in the reader.
