

## Cade Coulter's Return (Silhouette Special Edition)

Cowboy, Come Home When he left Montana thirteen years ago, Cade Coulter swore he'd never return. But Joseph Coulter's first-born couldn't turn his back on the ailing family ranch. Or the woman who'd been given a home there. With his irresistible blend of danger and power, Cade was the quintessential cowboy. But Mariah Jones believed that beneath the loner's gruff facade was a man who secretly longed to reconnect with his family. Why else would he have come back to Indian Springs? She'd made a promise to Cade's father - one she intended to keep. And now she was in danger of losing her own heart to the sexy, guarded rancher...
