

Between Sisters

Meghann Dontess is a woman haunted by heartbreak. Twenty-seven years ago she was forced to make a terrible choice, one that cost her everything, including the love of her sister, Claire. Now, Meghann is a hotshot divorce attorney who doesn't believe in intimacy until she meets the one man who can change her mind. Claire Cavanaugh has fallen in love for the first time in her life. As her wedding day approaches, she prepares to face her harsh, judgmental older sister. It is the first time they have been together in more than two decades. Over the course of a hot Pacific Northwest summer, these two women who believe they have nothing in common will try to become what they never were: a family. Tender, funny, bittersweet, and wonderfully moving, *Between Sisters* celebrates the joys and heartaches that can be shared only by sisters, the mistakes made in the name of love, and the healing power of new beginnings all beautifully told by acclaimed author Kristin Hannah.
