

By Marriage Divided

Domenica knows she's in Angus Keir's debt when the handsome, self-made Australian millionaire saves her family from bankruptcy. But she's also infuriated because Angus seems to despise her privileged background. Initially, Angus considered Domenica a social butterfly, but he soon discovers she's a passionate woman . . . and he wants her! His tough upbringing has made him wary of commitment -- so now his desire for Domenica creates a powerful dilemma . . .
