She has a killer on her tail and three men in her bed. An author who knows how to please turns up the heat in a sizzling new novel of erotic suspense. Hutch, Cam, and Sawyer were juvenile delinquents when they formed a friendship with the wealthy but lonely Regina. She felt loved for the first time in her life by all three. Today she's a police officer and wary of resuming her relationship with the hot trio until an attempt is made on her life. When they jump in to protect her, an all-new bond is formed, one riskier than ever before because now a killer looms in the shadows.
