

Code of Honor: Americas Bravest (Harlequin Superromance No. 882)

Lieutenant Jake Scarlatta has always believed that fire fighting is about working as a team. But years ago, loyalty to a teammate resulted in a blemish on Jake's record. Now Chelsea Whitmore, one of the best firefighters on his crew- and the woman he's beginning to love- needs his support. But helping Chelsea clear her name means implicating one of his men. This time Jake has to make the right decision. This is from the back cover of the book.
