

False Horizon (Rogue Angel)

A small Nepali man melts into shadows. A cutthroat crime lord is looking for a miraculous cure. And a map to an impossible dream and a mythic paradise is pointing the way. Archaeologist Annja Creed is in Katmandu, awash in its scents, sounds and liveliness. But this is no sightseeing trip. An old friend is in possession of a map that leads to a place that lies outside our world. But the map is known to one other—a vicious man who has Annja and her companions right where he wants them. Her hand forced, Annja sets out in search of the fabled Shangri-La—an expedition of danger and subversion. And her journey will end only with triumph or tragedy.
