

Diamond Dreams (The Drakes of California)

As the only daughter of Southern California's most famous wine dynasty, Diamond Drake devotes all her waking hours to the family business. Burned by love, she's not sure she ever wants to fall in love again. But construction millionaire Jackson Wright is sweeping her up in a whirlwind romance. Is he the real thing? Or will the sinfully sexy bachelor prove to be all flash and no substance? From the moment he sees her, Jackson is dazzled by the stunning, sultry Diamond. He knows it's dangerous to mix business with pleasure. If only Diamond will say yes to a future glittering with their passion and love.
