

If Winter Comes (Readers Choice)

Thief of Hearts! Charismatic Phoenix mayor Bryan Moreland had already won the devotion of his constituents, as was well on the way to bringing reporter Carla Maxwell to his side . . . until she found out that the heart-stoppingly handsome leader wasn't all he claimed to be. Rumor had it the popular politician was an embezzler. It was just a rumor, Carla told herself. As a reporter she'd have to get to the bottom of it; as a woman, she wanted nothing more than to lose herself in sexy Mayor Moreland's arms. Or was that exactly where he wanted her, for reasons other than love and desire?
