

## Heart and Soul (Harlequin Superromance No. 1255)

Harlequin Superromance is proud to publish Heart and Soul by Eva Rutland, a remarkable writer and storyteller. A remarkable woman. Despite their differences, Jill Ferrell has something in common with her new boss, Scott Randall: everything they do, they throw themselves into, heart and soul. The same is true for Jill's friend Kris Gilroy and the man in her life, Tom Harris. These are people who live their lives with joy and with wholehearted commitment. They believe that obstacles can be overcome and that, in some way, big or small, everyone can change the world.
