

Child of Her Heart (Logans Legacy)

Escape with a courageous womans story of motherhood, determination. . .and true love! After enduring so much tragedy, Meredith Malone celebrated her latest triumph--delivery of a healthy baby girl! Merediths dream of motherhood had finally come true despite the fact that little Anna happened to be a different race than her mommy. To escape the media barrage due to the clinics obvious mix0up of donor sperm, Meredith headed to the shore. . .and into the arms of Justin Weber. This sexy attorney made the quiet nights and peaceful days away from the city ripe with a passion shed never experienced. But was his mysterious, secretive nature hiding something? Or had past experience taught her to find something wrong with this man who was oh-so-right--as a husband and a daddy?
