

Quinn McClouds Christmas Bride (Silhouette Special Edition)

Call me Quinn. The moment the suntanned stranger showed up in town, Abigail Foster knew she was in trouble. Wolf Creeks stand-in sheriff was gorgeous, charming and irresistible. Abby was too smart to trust her heart to a man like that - especially one who wasn't planning to stick around. But Quinn McCloud wouldn't take no for an answer. Abby had to be the most stubborn woman he'd ever met - and the most desirable. Could he convince her to believe in the love he was offering and make this a Christmas to remember?
