

## Annalee and the Lawman: Count on a Cop (Harlequin Superromance No. 963)

Superromance #963 On Rain Mountain lives a lady, Who she is they do not know. All she wants is to be left alone. . . No one knows the Crazy Woman of Rain Mountain. And thats just fine with Annalee Evans. She went to the mountains because they were a good place to hide. Besides, she doesnt need anyone in her life; she already has three friends- her two Dobermans and a shotgun. Deputy Ben Ravenswood would certainly be Annalees friend - or more- if shed let him. Annalee almost believes she can trust him, but shes been burned once too often in the past. Then a runaway shows up at Annalees cabin, reminding her of a little girl who long ago needed someone to care. Helping the girl means turning to Ben and opening her safe haven to strangers. Much as she wants to, Annalee just cant close the door.
