

# Mastering The Management Buckets: 20 Critical Competencies for Leading Your Business or Non-profit

In the most practical, humorous and fast-moving chapters you've ever read on business and non-profit leadership and management, this in-the-trenches management expert presents his 20 Management Buckets System for understanding and organizing your important mission. When you don't know what you don't know, says John Pearson (with 30 years of CEO experience), the Law of Unintended Consequences will derail you every time. Based on Pearson's 48-hour Management Buckets Workshop Experience, Mastering the Management Buckets offers detailed implementation tools, including 99 practical takeaways that a leader could implement immediately, plus nine management breakthrough strategies. Learn how The People Bucket, The Donor Bucket, The Hoopla Bucket, The Customer Bucket and others can make or break your organization. For managers and leaders to use on their own, in weekly staff meetings, mentoring young leaders and managers and a host of other ways.
