

Stuck (Thorndike Gentle Romance)

When Gina Tait and Brad Harding spend ninety minutes stuck in an elevator together, neither can deny an intense physical attraction. Neither can they deny that in the real world, their ambitions and life views are polar opposites. Despite a constant, nagging desire to stay in contact, both Brad and Gina agree nothing could ever come of a relationship between an ambitious, single, city girl and a laid-back, widowed father of two girls from a small country town. Its better not to start something that can never be. Fate, however, in the form of a raging storm and Brads twelve-year-old daughter, has other plans.
