

## Sex, Straight Up

Meeting a handsome loner on a deserted beach in the Hamptons was like being hit by lightning. One steamy weekend in bed with Daniel OSullivan and Catherine Montefiore was marvelously woozy from a delicious cocktail of sun, sand and superhot sex. Abruptly, though, Catherines forty-eight hours of fun are at an end when her familys exclusive auction house is hit by a very public scandal. Shes ready to step in and save the day, but shes hoping Daniel, her hot Irish hunk, will lend a hand. After all, hes got the necessary skills and, straight up or not, Catherine wants another long drink of Daniel before another forty-eight hours are up and her legacy is lost forever!
