

You-Cant-Make-Me Bride (How To Catch A Princess) (Silhouette Desire #1082)

Jenna Jean Anderson knew that Stan Michaels was not husband material. She'd known him when he was one of the bad boys in town, and Jenna prided herself on being very, very good. But that didn't mean she hadn't noticed his wickedly handsome grin, or the seductive gleam in his eyes...Now that Jenna Jean was all grown up and gorgeous, Stan longed to get next to his childhood nemesis. But he knew he wasn't dealing with a small-town princess anymore. Because only a queen could bring this confirmed bachelor to his knees!
