

## Last Resort: Marriage

Desperate times call for...a quickie wedding!And desperation is the only reason Charlotte Harrington would even consider marrying local playboy Aaron Brody. Even if he is the most irresistible man shes ever laid eyes on.Charlies proposition could be a win-win for both of them. Aaron keeps his charter business afloat and the gorgeous, cool-as-ice hotel heiress keeps her grandfather from selling her hotel out from under her. Besides, its temporary.Isnt it?It was supposed to be strictly a business arrangement. Falling in love with her husband wasnt part of the deal. So when the time comes, will Charlie be able to just shake hands with Aaron and part ways forever?
