

Welcome to Serenity (Sweet Magnolias, Book 4)

When Jeanette Brioché helped launch The Corner Spa in Serenity, South Carolina, she found a whole lot more than professional satisfaction. She discovered the deep and loyal friendships that had been missing from her life. But even the Sweet Magnolias can't mend the terrible rift between Jeanette and her family or persuade her that the holidays are anything more than a season of misery. Pushed into working on the town's much-loved annual Christmas festival, Jeanette teams up with the sexy new town manager. Tom McDonald may be the only person in Serenity who's less enthused about family and the holidays than she is. But with tree decorations going up on the town square and a bit of romance in the air, Jeanette and Tom take a fresh look at the past and a hopeful look into the future. Together they discover that this just may be a season of miracles after all.
