

The Horrendous Hurricane Mystery (Masters of Disasters (Numbered))

In this book, there is only one person who's excited that there are a lot of hurricanes predicted this season! The mad-scientist father studies natural phenomena. His son and daughter come along as they face the danger and drama of a category five storm face-down! Join them for the frantic fun and learn a lot of hurricane history, mystery, legend and lore!..Join this brother and sister team as they accompany their scientist dad on hair raising adventures. Children ages 7-14 will be thrilled as the characters try to save the day. The kids also learn a lot about science. What child can resist learning about the power of mother-nature and the tools to stay safe as these interested kids confront nature head-on!..Each mystery incorporates history, geography, culture and cliffhanger chapters that keep kids begging for more! Each mystery includes SAT words, educational facts, fun and humor, built-in book club and activities. Each Carole Marsh Mystery also has an Accelerated Reader quiz, a Lexile Level, and a Fountas & Pinnell guided reading level
