

## One Dance with the Sheikh

A spontaneous, passion-filled Vegas romp with a sheikh is out of the ordinary for sensible Laurel Kincaid. She's walked the straight-and-narrow her entire life and has wound up with more stress and conflict than she can handle. Indulging in a jaunt with irresistible Rakin Whitcomb Abdellah is a delicious escape. So delicious that she says I do to a short-term marriage of convenience so he can claim his inheritance. But being husband and wife behind closed doors is more tantalizing than either of them expected, and suddenly the rules of their temporary marriage feel very inconvenient.
