

The Family Plan : The McClouds of Mississippi (Silhouette Special Edition No. 1525)

On Today's Agenda: LOVE From the moment Caitlin Briley stepped into his law office with her smoky eyes and burning ambition, Nathan McCloud wanted her. As a bachelor he would have had time to charm his way into her bed-and into her heart. But now he was a single dad, trading golf clubs for dollhouses. Could he convince her to follow him from footloose freedom to family responsibility? Caitlin was a lawyer with a plan-and it didn't include falling for her gorgeous partner or the adorable little girl he'd adopted. For Caitlin, making it big meant leaving small-town Mississippi-and Nathan-behind. But when Nathan's smile melted her heart, she was tempted to revise her schedule...and reach for the stars.
