

## The Respect Dare

Ephesians 5:33 in the Bible says that wives shall always respect their husbands, but most women struggle with this concept. Are you one of them? The truth is that women get married with dreams, hopes and aspirations that are often never fulfilled. More than half of marriages end in divorce in the United States, and many women that stay married are unhappy. The Respect Dare is a forty-day devotional guide that will take away the mystery that is keeping you from speaking the language of respect with your husband. It provides real life examples from women who have developed closer relationships with God and their husbands. In it, you will learn:

? How to build confidence; ? Methods to positively handle conflicts; ? Keys to better communication; ? How to develop a more intimate connection with your spouse; ? Ways to deepen your relationship with God; ? And much more!

Learn the language of respect and truly connect to the man you married with The Respect Dare.
