

The Baby in the Back Seat (American Baby) (Harlequin American Romance, No. 897)

There was a baby in his back seat! And when Sam Harrison noticed that the infant stowed away in his car was his own daughter, he ran his SUV right into a water tower! Luckily, no one was hurt, but the escapade left Sam and his baby stranded on Laura Evanss land...and she wasnt too happy about her unexpected visitors. Well, baby Annie soon had Laura cooing a different tune, especially when she learned the single dad knew nothing about child rearing. She agreed to take them in -- for a limited time only. But between lessons in baby care, her closely guarded heart began to melt, though she would never reveal those feelings to Sam. For Laura had her share of secrets to keep....
