

Dog Walk Happiness: A Novel

Love goes to the dogs in Kim Carson's charismatic debut novel, *Dog Walk Happiness*. Lucy Adams is a struggling actress living in New York City whose life comes crashing down when her long-term boyfriend reveals he's moving to Australia. Panicked at the thought of having wasted her best years, Lucy contemplates moving back home to Alabama in order to lick her wounds. But with the help of her three best friends, Lucy begins to explore parts of the city and herself that she had long since forgotten. This includes a renewed focus on Lucy's training as a yoga instructor, as well as a surprising temporary gig as a dog walker. And while a visit home brings some much-needed rest and relaxation, Lucy's hometown reverie is abruptly interrupted by the worst tornado outbreak in recorded history. With so many life changes, Lucy hardly feels ready to dive back into the dating pool. Nevertheless, she soon finds herself falling for a local musician. But will thoughts of her ex-boyfriend doom the romance before it even begins? A charming look into the oftentimes outrageous city dog walking business, *Dog Walk Happiness* offers readers a quirky romance and plenty of laughs!
